

Delta Dental's Secure Member Portal

Log on to the Consumer Toolkit

Delta Dental's easy-to-use Consumer Toolkit allows members to stay up-to-date with their dental benefits. The secure online tool is designed to give members 24/7 access to important information regarding their dental benefits, including:

- Checking benefit eligibility
- Reviewing plan benefits
- Viewing and printing Explanation of Benefits
- Printing ID cards

To help ensure confidentiality of your information, all members will need to register to gain access to the toolkit. Privacy of online benefit information is assured through highly secure encryption technology.
